

Is It Love

3LAU

(Is it love? Is it love? Is it love? Is it love?)
(Is it love? Is it love? Is it love? Is it love?)
Is it love, love, love?
Is it love, love, love?
Is it love, love, love?
Is it love, love, love?
Is it love, love, love?

Is it love, love, love
Love, love, love that I'm feeling?
Is it love, love, love
Love, love, love that I'm feeling?

How can I do this?
I've never felt this way before
You keep on staring at me
And I can't take it anymore

But I want you to know
I'm looking for a place where we can go
And I can say the words as I'm tryn break through
But you already know that I really want you

Is it love, love, love
Love, love, love that I'm feeling?
Is it love, love, love
Love, love, love that I'm feeling?
Is she the one, one, one
One, one, one that I'm dreaming of?
Is it love? Is it love?
Is it love, love, love
Love, love, love that I'm feeling?
Is it love, love, love
Love, love, love that I'm feeling?
Is she the one, one, one
One, one, one that I'm dreaming of?
Is it love? Is it love?

Is it love? Is it love? Is it love?
Is it love? Is it love? Is it love?
Is it love? Is it love? Is it love? Is it love? Is it love? Is it love? Is it love?
Is it love? Is it love? Is it love? Is it love? Is it love? Is it love? Is it love? Is it love?

Is it love, love, love (Is it love? Is it love? Is it love?)
Love, love, love that I'm feeling? (Is it love? Is it love? Is it love? Is it love?)
Is it love, love, love (Is it love? Is it love? Is it love?)
Love, love, love that I'm feeling? (Is it love? Is it love? Is it love?)
Is the one, one, one (Is it love? Is it love? Is it love? Is it love?)
One, one, one that I'm dreaming of? (Is it love? Is it love? Is it love?)
Is it love? Is it love? (Is it love? Is it love? Is it love?)
(Is it love?)
