

Girl Can Mack

3LW

A Girl Can Mack
I've never been the one to cry
Always had my way with guys
They went right after me
no matter what I did
Its never been a selfish
thang (I think)
A Playas gotta stay in the game
Sorry but thats the way
I gotta run this game

I know you wanna touch me
But dont you get your hopes up
I know you wanna hold me
Before you get excited
You can step on the line
But dont cross it
And yea I need to do
your thang (I think)
A girl can mack too

I can show you that
Your not the only one who
can roll like that
So baby come and tell me
can you get with that
And it don't take a genius
To figuire out
You've met your match
Cuz A Girl Can Mack

Don't be offended cuz
You hear my two way ring
I've gonna try my luck
Because of you I act that way
I can get attention when I want
It doesn't mean a thing to me
And I'm doing boy
What you do to me
What you do to me

I know you wanna touch me
But dont you get your hopes up
I know you wanna hold me
Before you get excited
You can step on the line
But dont cross it
And yea I need to do
your thang (I think)

Don't look so surprised to know
I'll just keep it on the low
But a girl like me can mack
