

## Beaumont

3OH!3

All along the street  
They're holding signs that say  
That I am lost  
And that I do not know the way  
I asked the rock  
Sitting in a shade of grey  
I asked the rock  
He didn't have a thing to say

But you are the only light I see  
You are the only light I need  
When everybody else is sleeping  
You come along and help me breathe

When I was a stone  
No one knew that I was there  
I'd sing my song and  
No one ever really cared  
I went to the mountain  
Face all covered in tears  
I wept but  
Mountain didn't seem to hear

So you are the only light I see  
You are the only light I need  
When everybody else is sleeping  
You come along and help me breathe

You are the only light I see (x2)

I love you  
'Till the mountain starts to cry  
I love you  
If I don't know the reason why  
I love you  
Until I do not know my name  
I ask you  
Wouldn't you have done the same

Oh you are the only light I see  
You are the only light I need  
When everybody else is sleeping  
You come along and help me breathe

You are the only light I see  
You are the only light I need  
When everybody else is sleeping  
You bring the magic over me

You are the only light I see (x4)
