

## Double Vision

3OH!3

On nights like this  
Gotta pour something  
Get right like this  
They don't write like this  
Hear them talk it up  
But they ain't quite like this  
And I'm light type rich  
Hundred on the chain  
With the light bright right wrist  
And my pipes like vroom vroom  
That's why your chick wanna come with him  
All my homies ballin above the rim  
My pockets bulging a lump sum  
You can come if you want  
Just bring a friend

'Cause there's so many fine woman that my head is spinning  
And I've lost all feeling everybody's singing like  
Hey na na na hey hey na na na na  
Hey na na na hey hey na na na na

'Cause there so many fine woman that my head is spinning  
And I'm seeing double vision everybody's singing like  
Hey na na na hey hey na na na na  
Hey na na na hey hey na na na na

Let's do this outside  
Shut down the whole block  
Watch the girls drop by like it's a catwalk  
We're livin' easy  
We got the whole day  
And we can go hard don't matter what the cops say

I'm thinking maybe I can't have relationships  
'Cause lately they're not making any sense  
And baby your the one thing on my mind that can change anytime

'Cause there so many fine woman that my head is spinning  
And I'm seeing double vision everybody's singing like  
Hey na na na hey hey na na na na  
Hey na na na hey hey na na na na

My red cup overflowing  
The bartender tell me stop  
I just keep on going  
I don't even have to talk about it  
I just show it  
Umm it's me they want to roll with  
Don't need to know her name  
Cause now she sleeping in my home  
Drink by the case beer glass cup  
I'm at the bar spending cash up  
And I probably told you this was my last one  
But I'm trying to get trashed bro

I see not vitals on your EKG  
Dead on the dance floor B.O.B

Clap because we need more 3OH!3  
Blowing out your speakers  
Hey, na na na  
Blowing out your speakers

'Cause there so many fine woman that my head is spinning  
And I'm seeing double vision everybody's singing like  
Hey na na na hey hey na na na na  
Hey na na na hey hey na na na na na
