

Ace in the Hole

3rd Bass

Ace is the place with the helpful hardware
Prime's got a spare, it's truth or dare

Stare into the face of a kid who is a hypocrite
Take all that hate -- why don't you try flippin it?

I never went out out drinkin Pepsi sips
and never laced up my boots in fruity bits
I ain't pretty so my fetish ain't nighthood
Cause no one wears sequins in my neighborhood

Cause my feet are firmly planted on the concrete
High-top fade, with no need for a blonde streak
Now let me chill, it's a sign of maturity
And I would never steal a chant from a Black Greek fraternity

Elvis Elvis baby, too bold, too bold
Ice Ice baby, no soul, no soul

Last year we +Gassed+ ya up
Now herbals fill your pastures
Masters of movement and mayhem
while last year record shows stopped for a racist
Countin cards and blackjacks, throwin aces
Places I've seen and I've seen all types of grills
It's the K.M.D. ?? G fills
Which builds up the fence for the fibs you're sprayin
My ace is in the hole
So whatcha playin?

* Daddy Rich scratches Zev Love X saying
"K.M.D. and 3rd Bass is just ace in the hole, I mean soul.." *

That's it right? Check it
Humm goes the kick, check out how I flick it
As the thumb presses quick, suckers on the mix
and yeah the Birthstone Kid, Zev Love X
and Mr. X took a lickin, so Onyx what's the time it is?

Time is to get my cocka-doodle rooster yappin
Wakin devil heads with my poor style rappin
Time is a quarter shorter that in order be sorta
tap in my line and just Knowledge me

Eats the baby food with no bib
And ad-lib from the Reverend Rib's crib
The lesson is.. YEAHHH, some ?? true and fix
Yeah all garbage no fib
I'm talkin bout the Nubians (wake us up) the black man
No sugar sweet snacks for the sour sap
To see home, why should I have to check the maps?
The haps, is negative I give many many caps
for a heavy heavy gun, about a, ton it weighs
That keep you, bustin off for days as sure as every sucker pays
in time, tis mine
The cause is a hole where the bass is ace for rhymes

Evils in my midst bound to get crushed, rushed
helps to manage, we're Kausin Much Damage
So we go on and on, word bond
Mics they got torn by the Kause long as Jimmy Cracks Corn bores
Hamhand gets no support
by the God Squad, God Body, for short call me God Born
Headnod to this like a King of Swing, thing and
check the verse I disperse, see what I'm bringin
is an ace in the hole
uh-huh, uh-huh, uh-huh a ace in the hole!
Yeahh.. ace in the hole?
Uh-huh, uh-huh, a ace in the hole!
