

# And It's True

3rd Storee

Ain't it funny?  
All the things I want in life  
Are here baby, ooh yeah  
But it's true girl  
They don't mean a thing  
If there's no you baby

Cause all I know  
All the money in the world  
Can't buy me love  
Now what I want  
I should've known  
Money ain't what I wrong  
What's the point if I still can't have you?

And it's true  
All I ever wanted girl was you, yeah  
And it's true  
The only thing that matters girl is you yeah, ooh baby

Yeah, yeah, yeah, yeah  
You're my darling  
It's true girl  
Don't you know that it's you girl  
Yeah, yeah, yeah  
You're my darling  
It's true girl  
Don't you know that it's you, yes you

Ain't it funny?  
I could have 'bout any girl in school, yeah  
Oh yes, but the joke's on me  
All that Kool-aid and I still don't have you yeah

All I know  
All the girlies in the world  
Don't mean so much  
It ain't what I want  
And it shows  
Baby I'm so in love  
What's the point in love  
If I can't be with you

And it's true  
All I ever wanted girl was you, yeah  
And it's true  
The only thing that matters girl is you yeah, ooh baby

Yeah, yeah, yeah, yeah  
You're my darling  
It's true girl  
Don't you know that it's you girl
