

I'm Sorry

3rd Storee

I know I said it I know I did it
Maybe I went overboard to prove a point
But sometimes my pride gets in the way
Maybe I need some time away
To get my head together

Maybe this was my last chance
I may never get to hold your hands again
I can say that I'm a better man
I'm sorry
Because you made me understand

I'm so sorry that I tore your heart apart last night
And I'm sorry if I scarred you again today
I didn't mean to take your dreams and make them seem so trite
I sincerely completely apologize for doing what I did

Everything you taught me
And everything you showed me
It never seem that I would listen to anything
But you've got my attention more than you know
I took it in
I dealt with it, but I waited too late to use it

I've never ever been so shameful for what I did
But you made me know a thing that I should have never did
If you ever take me back again
I never wanted to burn this bridge
If I could do it all over again
I'll never mishandle you ever again
