

Why does Monday, come before Tuesday
Why do summers start in June
Why do winters come too soon
Why do people fall in love
When they're always breaking up, oh why
Why do we love if love will die
Why does Wednesday come after Tuesday
Why do flowers come in May
Why springtime go away
Why do people fall in love
When they're always breaking up, oh why
Why do I love you tell me why
It's not like I can explain what's in my heart
It's just I feel a crazy pain when we're apart
I don't wanna breathe, I don't wanna think
I don't wanna learn
I don't wanna do anything
It's not like I can describe what's going on
It's just I feel I'm not alive
When you're not home
I just wanna sleep, I don't wanna be
I just want you here beside me
Without you there's no me
Why does Monday come before Tuesday
Why do summers start in June
Why do winters come too soon
Why do people fall in love
When they're always breaking up, oh why
Why do we love if love will die
Why does Wednesday come after Tuesday
Why do flowers come in May
Why does springtime go away
Why do people fall in love
When they're always breaking up, oh why

Why do I love you tell me why
It's not like I can escape, what's in my soul
Cause without you inside my heart
Where can I go
I don't wanna see, girl you without me
I can't go through life without you
Without you there's no me
Why does Monday come before Tuesday
Why do summers start in June
Why do winters come too soon
Why do people fall in love
When they're always breaking up, oh why
Why do we love if love will die
Why do the rivers flow to the sea
In every flow I get your love over me, babe
Why does my heart feel so missed
To be in love, to fall in love
Why don't I feel complete
Why does Monday come before Tuesday
Why do summers start in June
Why do winters come too soon
Why do people fall in love

When they're always breaking up, oh why
Why do we love if love will die
Why does Wednesday come after Tuesday
Why do flowers come in May
Why does springtime go away
Why do people fall in love
When they're always breaking up, oh why
Why do I love you tell me why
Tell me why
Tell me why
