You told me you loved me
You told me you cared
You told me you needed me
But I guess those were words
Without meaning

You said I could trust in you You said all was fine You said that you spoke the truth But I guess those were words Without meaning

You told me you loved me You told me you cared You said, boy please Don't worry about a thing

You said together we'd be
For the rest of our lives
You said that you hoped and dreamed
But I guess those were words
Without meaning

I thought that you loved me
I thought that you cared
You lied straight to my eyes
And now I
Realize your words have no meaning
Can't believe
You told me
Words without meaning
