

# Dissolve

3TEETH

Chewed up  
Spit out  
Undigested

Their world is dead  
There's nothing left here

Fed up  
Put out  
You're rejected

Your saint has bleed  
There's nothing left here

Dissolve yourself  
Dissolve yourself  
Dissolve yourself  
Dissolve yourself You have to reset

Chopped up  
Cooked down  
You're injected

Their world is dead  
And opiate fed

Fed up  
Put out  
You're disconnected

Your book is dead  
There's nothing left here

Dissolve yourself  
Dissolve yourself  
Dissolve yourself  
Dissolve yourself You have to reset

Dissolve yourself  
Dissolve yourself  
Dissolve yourself  
Dissolve yourself You have to reset
