

Dust

3TEETH

Cast me to the ground
Restrain me with you crown
Cast me to the ground
I'll never make a sound

I won't do it
I can't do it

I won't do it
I can't do it

I won't do it
I can't do it

I'll turn it all to Dust

Take me from myself
And place me in cell
Take me from myself
And fill me with your wealth

I won't do it
I can't do it

I won't do it
I can't do it

I won't do it
I can't do it

I'll turn it all to Dust

Heal me with lust
And cover me in rust
Fuck you and my trust
I'll turn it all to dust

Dust

I see through it
I refuse it

I won't do it
I can't do it

I see through it
I refuse it

I won't do it
I can't do it

I see through it
I refuse it

I won't do it
I can't do it

I see through it
I refuse it

I won't do it
I can't do it

I see through it
I won't do it

I see through it
I won't do it

I see through it
I see through it
