

# PRESIDENT X

3TEETH

I'm the old flesh in progressive disguise  
With my pretty eyes, I'll hide all their lies  
I'm the legacy at Chapel Ranch  
I'm the outsider they said had no chance

Personality type  
Personality type A complex

I'm president X  
I'm your same old hex  
I'm president X  
Replace me, you'll be next

Entertainment trance of a militant branch  
Time to hold my hand and do the new world dance  
Just another symptom of a greater disease  
I'm the snake de jour and I'll do what I please
