Once I fuck once, don't claim her
Play crazy bitch, and get painted
My son damn near got a million, BM steady gettin' in her feelings
Call yo daddy son if you need him
Fuck 'em by the twos, hoes gettin' greedy

Bae, I need you to go to Enterprise and get a truck
She like, "Okay, okay, okay"
Only ride bikes when I'm with baby
Ho nigga tried to jump on my case
He talkin' 'bout what he done heard
Oh, he a burger, bitch, get murdered

Free my uncle, then free Dirty, Mercey 30 Apple too

Cop the truck right after coupe', aye, he was talkin' I had to shoot, fuck 'em
Back to gettin' money

Bae, I need you to fuck the prosecutor tonight
All my niggas indicted in Milan, if not Rikers
On the East, we ride lambs, and bend at midnight strikers
Ric a two-time lifer
