One thing I never seen was a bitch to leave
Every time I crank the car, I don't use a key
Push start, foreign whip
Two Glizzys, extended clips
I don't go a day bein' sober
Pour a lot of dope in my soda
Magic city, I'm the owner
Tell Steve Harvey, I don't want her

6's bron

I'm just turnin up for my city (Turn me up)

I've been turnin' up for my city
Grandma, daddy, mama, sister
I've been through so much lately
Run it up, then stash it
Damn near 2 million on the mansion
CMG, that's who I'm signed to
But I like my pockets full
I got my game from the streets, I barely went to school
I know now, Dugg, slow down
Shot four times
I don't really like to squash it
On my daddy, on my mama
I don't really like to squash it
