

Blood make us relatable, loyalty makes us family
I done made so much money, this month they think I'm scammin'
My little bitch just said I'm damaged, the same go for my daddy
Disrespectin' like you turnt, this the same bitch just was beggin'

Tall, thick, Megan Megan
500 Richard baguetti
Chops, machetes, my drop a Chevy
Ashants, Pirellis, I'm Mox from Belly
Chrome, yeah, two phones, yeah
I fucked, the head wasn't shit, goddamn

Pints in grams, life, free Tim
Ice Vezz, exotic and red
My spots bangin', my skelly stainless
Four gangin', they hate it, we made it
I'm rich so my bitch cold
The blick is on me, Pateks and Rolllies
Solid, no Codys, I don't know him, he don't know me
You'll whack something, gotta show me, these rose golds my trophies
His bro told, I know it, nigga bump me, I'm blowing
2018 burnt orange, check our stats, we scorin', all my bitches foreign
Bad, pretty ass, titties, mini tour, like five cities
Hundred thousand a show, remind me of weed, remind me of dope

Tall, thick, Megan Megan
500 Richard baguetti
Chops, machetes, my drop a Chevy
Ashants, Pirellis, I'm Mox from Belly
Chrome, yeah, two phones, yeah
I fucked, the head wasn't shit, goddamn

Heavy camp, opps whacked
Youngsta Blac, a million straps
Fuck 'em, yeah, beam red
Shooters dead, I'm prayin' gang duck the feds
I'm praying Val make it back, four gang mixed with the camp
Top side came with a stamp, fuck y'all
Fuck y'all again
Aventador, all red with rims, Urus truck, three hundred bands
Maybach two-seat, I'm geeked
Ridin' around, gettin' head from Keshia
Exotic runtz, thirty-five a piece
Gotta fuck them all
Save some for me

Tall, thick, Megan Megan
500 Richard baguetti
Chops, machetes, my drop a Chevy
Ashants, Pirellis, I'm Mox from Belly
Chrome, yeah, two phones, yeah
I fucked, the head wasn't shit, goddamn
