And my heart hangs from this noose Like your footsteps in crowded rooms Filled with sweet scents of autumn blooms Is this what you imagined?

Catch a glimpse from her empty stare Hidden eyes behind her auburn hair Catch my breath for the smoke to clear And it's just as it should be

My best laid plans
Will build and break your heart
Her guilty hands
Tear my whole world apart
My mind keeps racing
She's softly dreaming
I'm scraped and sober
But there's no one listening

And we'll wake up in vacant rooms Pull you close to my aching skin Broken glass on the porcelain Is this what you imagined?

We'll forget what we used to say And our lives won't mean anything Pull me close as I drift away And it's just as it should be

My best laid plans
Will build and break your heart
Her guilty hands
Tear my whole world apart
My mind keeps racing
She's softly dreaming
I'm scraped and sober
But there's no one listening

And we'll both take our revenge But we still don't feel any better And we'll both take our revenge But we still don't feel any better

And we'll both take our revenge
But we still don't feel any better
And we'll both take our revenge
But we still don't feel any better
And we'll both take our revenge
But we still don't feel any better
And we'll both take our revenge
But we still don't feel any better
But we still don't feel any better

I'm scraped and sober, but there's no one listening
I'm scraped and sober, but there's no one listening
I'm scraped and sober, but there's no one listening (feel any better)
I'm scraped and sober, but there's no one listening to me at all
