

It's just something 'bout the way that she talk to me
She don't talk that much 'cause the talk is cheap
Her type is a type need therapy
She as bad as it get, but it works for me

She be horny when she wrong
That's fucked up, damn right, I know
Ride it slow, tryna right her wrongs
Round for round, we goin'
I be off her, it turns her on
Dick say yeah, but my mind say no
It don't matter when her mouth so close
I already know

She don't say sorry, she don't apologize
She'd rather swallow me before she swallow pride
She do it to me, that shit work every time
She'd rather swallow me before she swallow pride
Got a nigga like yeah-hee, yeah
She'd rather swallow me before she swallow pride
Got a nigga like yeah-hee, yeah
She'd rather swallow me before she swallow pride

If I lie one time, it'll last for years
If she do the same shit, she'd be like, "Who me?" Yeah
"Do you wanna argue or you want this head?"
I be like, "Fuck what I'm talkin' 'bout, let's get to it"

She be horny when she wrong
That's fucked up, damn right, I know
Ride it slow, tryna right her wrongs
Round for round, we goin'
I be off her, it turns her on
Dick say yeah, but my mind say no
It don't matter when her mouth so close
I already know

She don't say sorry, she don't apologize
She'd rather swallow me before she swallow pride
She do it to me, that shit work every time
She'd rather swallow me before she swallow pride
Got a nigga like yeah-hee, yeah
She'd rather swallow me before she swallow pride
Got a nigga like yeah-hee, yeah
She'd rather swallow me before she swallow pride

Got a nigga like yeah-hee, yeah
She'd rather swallow me before she swallow pride
Got a nigga like yeah-hee, yeah
She'd rather swallow me before she swallow pride
