

## Lay It All on the Line

4HIM

So don't go wastin' your time  
Holding on to your life

There are treasures that I have possessed  
Meant the world to me  
But they never fill the emptiness  
I needed something more than these

In the middle of my wilderness  
God reached down to me  
When I let go to His tenderness  
I found His love was more than I ever dreamed

So don't go wastin' your time  
Holding on to your life  
Just lay it all on the line  
Gotta make up your mind  
There can be no more compromise  
Just lay it all on the line

It's a matter of surrendering  
Every hidden fear  
And by letting go of everything  
Jesus will meet you there

In the heart of everyone of us  
There's a call to faith  
Even though we'll never measure up  
That's why the Savior, that's why the Savior came

Gone are the days of holding on  
This is the time to surrender  
Now is the moment you've got to let it go  
Just let go  
Just let go

Just let it go now

Don't go wastin', wastin' your time  
Gotta make up, make up your mind  
There can be no more compromise  
Just lay it all on the line
