so you want to be a superstar and you want to be made? don't forget about the consequenses don't forget about your fate so you trie and you lie and you cry and you hide what's inside your mind all for the money

bla bla bling blow blow bleed bleed bitch!

## Chorus:

here today and gone tomorrow that's how it is and how it alwy was now go away and drown in sorrows you've had your fame tell everyone how good it was go ...

so you feel it aint real but you're dealing with feelings of millions and fool them for their money?

bla bla bling blow blow bleed bleed bleed

and you go with the flow and you know that the show that you're playing is played out but you want money?

bla bla bling bling blow blow bleed bleed bitch!

## Chorus

you feel pain and got lameand there's noone to blame you've got lost in the game for all the money?

bla bla bling bling blow blow bleed bleed bleed

you're addicted to coke but you're broke as a joke? at the end of the road there is no more money

bla bla bling bling blow blow bleed bleed bitch!

that's the ending of a superstar that wanted to get paid but now it's too late

Chorus
