

My Evil Twin

4Lyn

Leave me alone now

He doesn't sleep, he doesn't eat 4Lyn

All he needs is electricity

(He's the good the bad and the ugly in me) My

He doesn't speak and he doesn't laugh

He just wants to take everything I have Evil

(He got me twistin' and turnin' whistling and burning you heard
me?) Twin

He is the sickness in person

He is my gift and my curse Songtexte

I can't run from my evil twin, no!

He's up to no good, out to bring pain Songtext

Pumps his evil thoughts straight into my veins

Steps on my toes tortures my brain until I go down insane Lyric
s

(I am the one and only reason for that what you are) Lyric

He wants me to move when he comes through

He wants me to dance for you Liedertexte

(He's the one that makes you love me

and you love me Liedertext

don't you love me?)

He scratches with my nails and my will in my skin Alle

I can't run from my evil twin no

I'm the darkest thought you can think 4Lyn

and most dangerous poison to drink

I am something that you can't murder My

Won't you .. Why .. Why won't you...

LEAVE ME ALONE NOW Evil

I can't run from my evil twin no!
