Yo! I park my ride on the left side,  
I'm feeling kind a-ight 'cuz I know  
That my stupid ass is gonna get drunk tonight  
A quick view to the backyard, my boys are all there  
So high 5's everywhere. a well known smell  
From the inside so who got the endo  
I wanna know 'cuz my brain said so  
So i followed the fog until the heart of the party  
Chilli palmer with a blunt and a glass of bacardi  
Yo, it's all good but something is missing  
I don't know what it is and i have to go pissing  
But there's somebody knocking at the door  
And right about now i'm looking at a girl that I never saw before  
Right about now I start to stare  
Oh fuck it my eyes are ready see her bare and kane says:
