[English Translation:]

I don't think you oppas know so I'll teach you

So listen

I'll give it to ya, Give it to ya, Give it to ya

Tell me everything you want, I don't care

I wanna trust you, I wanna fall for you

I go crazy for you anyway every single day

Show me your final charms, honey

Should I? Should I reveal it? Should I play?

(I'm so confused)

Every time I see your body, I'm blinded,

my head grows blank

I go from doing this and that, I'm sorry

(I'm sorry, so sorry)

I keep pulling you to me, then getting sick of it

I don't know, I'm confused too

One, if you're gonna tell me to only look at you

Don't steal glances at other girls in front of me

Two, you're allowed to kiss me whenever you want

Three, I already like you

I like you a lot

It's simple so simple, I'll teach you

I'll teach you I'll teach you, I'm Princess everyday

It's simple so simple, don't fool around

I'll teach you I'll teach you, I'll teach you

Even if you don't know anything,

(Hey boy, yeah)

I understand

(Don't listen to everything)  
Because you're a guy, because I'm a girl,  
(Cause, cause I'm so)  
it can't be helped  
(I think I'm in love with you)

Yesterday (yeah boy)  
you were good (what the?)  
There's no guarantee that I'll like you tomorrow,  
nobody knows  
Girls like it this way  
Boys like it that way  
We're so different but we compromise with love

Hold tight to me, hug me  
Strongly, umm you know?  
I can't help it even if you call me selfish  
I'm a girl, but still I like you so I'll teach you

One, if you're gonna tell me to only look at you  
Don't steal glances at other girls in front of me  
Two, you're allowed to kiss me whenever you want  
Three, I already like you  
I like you a lot

It's simple so simple, I'll teach you  
I'll teach you I'll teach you, I'm Princess everyday
