What's my name? What What What's my name?
4minute What's my name?
What's my name? What's my name?

[English Translation:]

Yeah 4minute What's my name?
Attention please Everyone follow me
How can I be so fed up every day, bang bang

Everyone be quiet and concentrate; who am I
Whatever you want, whatever you imagine
I'll show you more than that with quality, never know

Do you still not know who we are
What we've shown you til now, our own style
No one can covet us, woo

4minute what's my name?
We're ready, we'll show you again
4minute what's my name?
You know who we are too

We're born again newly; something's a little different
We're 4minute, show time

4minute what's my name?
What's my name? What what what's my name?
4minute what's my name?
What's my name? What's my name?
