[English Translation:]

Baby ah ah ah ah...
Baby ah ah ah ah... oh yeah
Baby ah ah ah ah...
Baby ah ah ah ah ah ah~
Even during those days when I tired,
I heard all of your problems
I gave you all of my feelings to you even if
I received none as return
Why does,
missing call count increase
While you are making up inexcusable excuses...
I can't hold it back any longer
From today I won't give you any

From now on, I will never give you my feelings
From now on, I will never-never give it to you
From now on, I will never cry, it won't happen twice

I don't wanna cry, now we have to let it go
I don't wanna cry, now we have to let it go
I don't wanna cry
I will never-never give it to you, eh eh eh eh

You said today we have our own quality time,
but suddenly you said you have plans
It took me three hours to prepare for our date...
How could you do this to me
Friends tells me I am really stupid for love
They tell me it's pathetic how I side with you
Now I've lost trust in you
From today I won't give you any

From now on, I will never give you my feelings
From now on, I will never-never give it to you
From now on, I will never cry, it won't happen twice

I don't wanna cry, now we have to let it go
I don't wanna cry, now we have to let it go
I don't wanna cry
I will never-never give it to you, eh eh eh eh

Please stop, it's only doing me more harm
And you might regret it
No cry all night
Ever since your heart changed it was hard for me
But I will think about it once more honey
No matter how much I think,
we aren't destined
The excuse you are using right now is insufficient
If you are truthful like back in the day than OK
If that happens I will always give it to you, oh oh oh oh oh

Baby ah ah ah ah...
Baby ah ah ah ah... oh yeah
Baby ah ah ah ah...
Baby ah ah ah ah ah ah~

I won't give you any

From now on, I will never give you my feelings
From now on, I will never-never give it to you
From now on, I will never cry, it won't happen twice

I don't wanna cry, now we have to let it go
I don't wanna cry, now we have to let it go
I don't wanna cry
I will never-never give it to you, eh eh eh eh
