

Stranger On The Shore

4TET

Stranger, stranger, stranger on the shore,
this song
for me is
the very best song of all.
It's sound and sadness
is what I'm looking for.
Feeling a girl like boy
like boy.

My dreams
come true
I'm doing what I wanna do.
I sing my favourite song
by clarinet to you.

Stranger, stranger, stranger on the shore,
this song
for me is
the very best song of all.
It's sound and sadness
is what I'm looking for.
Feeling a girl like boy
like boy
more and more.
