

Emotions

5 Seconds of Summer

Talk about it, I don't wanna talk about it
Got too many things on my mind
Think about it, I don't wanna think about it
Maybe that's why I'm always high

You always got one, two, three, four, five more things to say
Tellin' me six, seven, eight, nine, ten more things to change
But till that day
Don't mind me, I'm just feelin' kinda broken, kinda broken
If you need me, I'll be here with my emotions, my emotions
You should know I feel some type of way, I don't even know why
I'm just needin' a little space, I'm just needin' a little time
Don't mind me, I'm just feelin' kinda broken
So I'll be here with my emotions

Cry about it, I don't wanna cry about it
But I still can't help it sometimes
Fight about it, I don't wanna fight about it
I'm already screamin' inside

I always got one, two, three, four, five more ways to break
I always got six, seven, eight, nine, ten brand new mistakes
I know I'll make

Don't mind me, I'm just feelin' kinda broken, kinda broken

If you need me, I'll be here with my emotions, my emotions
You should know I feel some type of way, I don't even know why
I'm just needin' a little space, I'm just needin' a little time
Don't mind me, I'm just feelin' kinda broken
So I'll be here with my emotions
I'm doin' my best and I guess that's the best I can do
(Where did I go wrong? Where did I go wrong?)
I'm doin' my best and I guess that's the best I can do
(Where did I go wrong? Where did I go wrong?)
I'm doin' my best and I guess that's the best I can do
(Where did I go wrong? Where did I go wrong?)
I'm doin' my best and I guess that's the best I can do

Don't mind me, I'm just feelin' kinda broken, kinda broken
If you need me, I'll be here with my emotions, my emotions
You should know I feel some type of way, I don't even know why
I'm just needin' a little space, I'm just needin' a little time
Don't mind me, I'm just feelin' kinda broken
So I'll be here with my emotions
