

Ghost

5 Seconds of Summer

You sound like me when you're drunk
I've heard that voice
So unrelenting
Vomit all over the yard
Crawl to my room
I know the ending

Late at night
We're the same, it shows
You and I
Haunted by a similar ghost
Drunk and high
When I need you most
You and I
Haunted by a similar ghost

Ooh
Ooh
Haunted by a similar ghost
Ooh
Ooh

I let you walk out the door
Totalled the Porsche
I'm always bending
I picked you up off the street
Some lady screamed
"Jesus can save him!"

Late at night
We're the same, it shows
You and I
Haunted by a similar ghost
Drunk and high
When I need you most
You and I
Haunted by a similar ghost

Ooh
Ooh
Haunted by a similar ghost
Ooh
Ooh

I don't want to go to sleep
'Cause I'm afraid of what I'll see
I can't look you in the eyes
'Cause I'm afraid it looks like me
I don't want to go to sleep
'Cause I'm afraid of what I'll see
And I can't look you in the eyes
'Cause I'm afraid it looks like me

Haunted by a similar ghost
Ooh
Ooh
Haunted by a similar ghost

Ooh
Ooh
