

# Heartache On the Big Screen

5 Seconds of Summer

Started out like in the movies  
But it ended like a bad dream  
Curtain opened, heard the crowd roar  
This one's a repeat, seen it before

Rewind to the start before it all went wrong  
What's going on?

Fast forward to the end, after everyone's gone home  
And they've forgotten it all

This ain't a movie that I wanna see  
A tragic story, starring you and me  
Yell "cut", we're stuck inside this scene  
This is heartache on the big screen  
The clock is ticking, and I'm out of time  
The camera's rolling, and I forgot my lines  
My script is ripped and now I see

This is heartache on the big screen  
This is heartache on the big screen

Curtain closes on this cliché  
A good story of a bad day  
Back to square one, where I started  
As I stand here, broken-hearted

Fast forward to the end, after everyone's gone home  
And they have forgotten it all

This ain't a movie that I wanna see  
A tragic story, starring you and me  
Yell "cut", we're stuck inside this scene  
This is heartache on the big screen  
The clock is ticking, and I'm out of time  
The camera's rolling, and I forgot my lines  
My script is ripped and now I see

This is heartache on the big screen

If Hollywood could see me now  
I'd get the starring role  
But they won't so I'll just keep on acting a fool

This ain't a movie that I wanna see  
A tragic story, starring you and me  
Yell "cut", we're stuck inside this scene  
Yeah

The camera's rolling, and I forgot my lines  
My script is ripped and now I see

This is heartache on the big screen  
This is heartache on the big screen  
This is heartache on the big screen
