

# I Miss You

5 Seconds of Summer

Hello there,  
The angel from my nightmare,  
The shadow in the background of the morgue.  
The unsuspecting victim of darkness in the valley.  
We can live like Jack and Sally  
If we want.

Where you can always find me  
And we'll have Halloween on Christmas.  
And in the night we'll wish this never ends,  
We'll wish this never ends.

(I miss you, miss you)  
(I miss you, miss you)

Where are you?  
And I'm so sorry.  
I cannot sleep, I cannot dream tonight.  
I need somebody and always  
This sick strange darkness  
Comes creeping on so haunting every time.

And as I stared I counted  
The webs from all the spiders  
Catching things and eating their insides.

Like indecision to call you  
And hear your voice of treason.  
Will you come home and stop this pain tonight?  
Stop this pain tonight.

(3x):  
Don't waste your time on me.  
You're already the voice inside my head.  
(I miss you, miss you)  
Don't waste your time on me.  
You're already the voice inside my head.  
(I miss you, miss you)

(I miss you, miss you) (4x)
