

If It Means A Lot To You

5 Seconds of Summer

And hey darling, I hope you're good tonight
And I know you don't feel right when I'm leaving
Yeah, I want it but no, I don't need it
Tell me something sweet to get me by
'Cause I can't come back home 'til they're singin'

La, la la la, la la la
'Til everyone is singin'

If you can wait 'til I get home
Then I swear to you that we can make this last
(La la la)
If you can wait 'til I get home
Then I swear come tomorrow, this will all be in our past
Well it might be for the best

And hey sweetie, I need you here tonight
And I know that you don't wanna be leaving
Yeah, you want it but I can't help it
I just feel complete when you're by my side
But I know you can't come home 'til they're singin'

La, la la la, la la la
'Til everyone is singin'
La, la la la, la la la

If you can wait 'til I get home
Then I swear to you that we can make this last
(La la la)
If you can wait 'til I get home
Then I swear come tomorrow, this will all be in our past
Well it might be for the best

You know you can't give me what I need
And even though you mean so much to me
I can wait through everything
Is this really happening?
I swear I'll never be happy again
And don't you dare say we can just be friends
I'm not some boy that you can sway
We knew it'd happen eventually

La, la la la, la la la
Now everybody's singin'
La, la la la, la la la
Now everybody's singin'
(If you can wait 'til I get home)
La, la la la, la la la
Now everybody's singin'
(Then I swear we can make this last)
La, la la la, la la la
Now everybody's singin'

If you can wait 'til I get home
Then I swear we can make this last
