

If Walls Could Talk

5 Seconds of Summer

Some things are meant to be secret and not to be heard
So if I tell you, just keep it and don't say a word
Yeah, when the doors are all closing, it's bound to get loud
'Cause all these bodies are hoping to get addicted to sound

Oh, not everything is so primitive
Oh, but I'm giving it

If these walls could talk
I'd hope they wouldn't say anything
Because they've seen way too many things
'Cause we'd fall from grace, we're falling
Yeah, we'd fall from grace
If these walls could talk
I'd hope they wouldn't say anything
Because they've seen way too many things
'Cause we'd fall from grace, we're falling
Yeah, we'd fall from grace
If these walls could talk

If these walls could talk
If these walls could talk

I love your hair and your face
I wouldn't dare let you down
Don't let that glass go to waste
Oh, you're a queen but I'm crowned

Oh, not everything is so primitive
Oh, but I'm giving it

If these walls could talk
I'd hope they wouldn't say anything
Because they've seen way too many things
'Cause we'd fall from grace, we're falling
Yeah, we'd fall from grace
If these walls could talk

If these walls could talk
If these walls could talk

Some things are meant to be secret and not to be heard
So if I tell you, just keep it and don't say a word
Yeah, when the doors are all closing, it's bound to get loud
'Cause all these bodies are hoping to get addicted to sound

If these walls could talk
I'd hope they wouldn't say anything
Because they've seen way too many things
'Cause we'd fall from grace, we're falling
Yeah, we'd fall from grace
If these walls could talk

If these walls could talk
If these walls could talk
