

I remember things
Only you would know
Eyes running with mascara
You ask me to zip your dress and
Go and get the car
How much can we take?
Leaving your apartment
You lean in to kiss my neck and

I still feel the same
Your heart's beating different
Show me nothing's changed
Kiss me like you mean it
I felt you slip away
Talking in your sleep and
I mean it when I say
I still feel the same
I still feel the same

See it in your face, see it in your eyes
Taking down your hair while I'm trying to drive
Trying not to stare, or we're gonna die
You lean in to kiss my neck, I
Got no sleep, my eyes are bleeding
Everything is losing meaning
Tell me I'm your human being, my love

I still feel the same
Your heart's beating different
Show me nothing's changed
Kiss me like you mean it
I felt you slip away
Talking in your sleep and
I mean it when I say
I still feel the same
I still feel the same

I still feel the same
