

Lonely Heart

5 Seconds of Summer

One, two, three

Your type of mind, so hard to find
Native of mine, you're just my kind
Down on my knees, I'll always follow
I promise you until the end of time
Our house on fire, we're burnin'
We dance, inside you're hurtin'
If you leave me in the mornin'
I'll have such a-

Such a lonely heart, oh woah
Such a lonely heart, oh woah (Oh woah)
If you can't find another reason to stay
Then I know I'm gonna always have a lonely, lonely, lonely, lonely
Heart, oh woah (Oh woah)
Heart

Your precious heart, can't watch it break (Ooh, ooh)
So I close my eyes while you walk away, mmm (Ooh, ooh)
Can I have a second chance?
Can I have another dance?
Can I start another life with you? Yeah (Oh)
When I wake up in a haze and I haven't slept in days
You're a thousand miles away with-

Such a lonely heart, oh woah
Such a lonely heart, oh woah (Oh woah)
If you can't find another reason to stay
Then I know I'm gonna always have a lonely, lonely, lonely, lonely
Heart, oh woah (Oh woah)
Heart

Lonely, it ain't nothin' new
Nothin' new to me, nothin' new to you (Oh woah)
Lonely, it ain't nothin' new
Nothin' new to me, nothin' new to you
Lonely, it ain't nothin' new
Nothin' new to me, nothin' new to you (Oh woah)
Lonely, it ain't nothin' new
Nothin' new to me, nothin' new to you

Heart, oh-oh-oh

Such a lonely heart, oh woah (Oh woah)
If you can't find another reason to stay
Then I know I'm gonna always have a lonely, lonely, lonely, lonely
Heart, oh woah (Oh woah)
Heart
