

# Permanent Vacation

## 5 Seconds of Summer

You say that I'm too complicated.  
Hung up and miseducated.  
Well I say nine-to-five is overrated,  
And we all fall down.

I can't sleep cause my mind keeps racing.  
And my chest hurts cause my heart keeps breaking.  
I'm so numb and I can't stop shaking,  
And we all fall down.

Frustration, desperation.  
You say you need some kinda medication.  
Situation, no motivation.  
Desperation: permanent vacation.

Hey, I'm doing fine,  
And I know I'm out of line.  
So lets sing this one more time.  
It goes,  
Destination: permanent vacation.

Na na na na na na na na

Voices coming through the speaker.  
And they can't make me a believer.  
I know that I'm an underachiever,  
And we're all so proud.

Watch out, I think we're going under.  
Cause right now, we're just another number.  
Get out, the system's overcrowded,  
And we're all so proud.

Frustration, desperation.  
They say I need some kinda medication.  
Situation, no motivation.  
Destination: permanent vacation.

Hey, I'm doing fine,  
And I know I'm out of line.  
So I'll sing this one more time.  
It goes,  
Destination: permanent vacation.

Hey, I'm doing fine,  
And I know I'm out of line.  
So I'll sing this one more time.  
It goes,  
Destination: permanent vacation.

Na na na na na na na na  
Na na na na na na na na

Congratulations, your imitations.  
I can't get over the radio stations.  
Corporations, calculations.  
We're the voice of the new generation.

Hey, I'm doing fine,  
And I know I'm out of line  
So I'll sing this one more time.  
It goes,  
Destination: permanent vacation.

Hey, I'm doing fine,  
And I know I'm out of line  
So I'll sing this one more time.  
It goes,  
Destination: permanent vacation.

Na na na na na na na na  
Na na na na na na na na  
Na na na na na na na na

Destination, permanent vacation.
