

Sick of Myself

5 Seconds of Summer

I'm so sick of my
Sick of myself
Wish I was
Wish I was
Somebody else
Waking up next to you
Best that I've felt
Nothing else
Nothing else
Nothing else helps

I'm so goddamn sick of myself
Wish I could walk a mile not in my shoes
Of a man
Of a man
I was a shell

'Til there was you

Everything's Monday
Clock just goes one way
I can't look myself in the eyes

Where are you sleeping tonight?

I'm so sick of my
Sick of myself
Wish I was
Wish I was
Somebody else
Waking up next to you
Best that I've felt
Nothing else
Nothing else
Nothing else helps

I'm so goddamn sick of myself
Wish I could walk a mile not in my shoes
Of a man
Of a man
I was a shell

(Yeah. Yeah. Yeah)

(Yeah. Yeah. Yeah)

(Yeah. Yeah. Yeah)

I'm drifting out of touch
Miss who I once was
I can't look myself in the eyes
I need you
I need you tonight
