You Don't Go To Parties

5 Seconds of Summer

It's 5AM, clingin' to my couch
And everyone I ever knew is standin' in my house
Oh, I wonder who I'm lookin' for
'Cause you don't go to parties anymore

I still think about the times we were heavy
Racehorse trippin' on the dirt that you got on me
Vultures spinnin' up above of what's left of me
We go stupid every night, what a tragedy
I'm still here in the darkness
Back where we started
You made me a heartless monster
I'm caught up in distractions
Fatal attractions
I'm starting to come undone

And now it's 5AM, clingin' to my couch
And everyone I ever knew is standin' in my house
Oh, I wonder who I'm lookin' for
'Cause you don't go to parties anymore
I got the last five years runnin' out my mouth
Always stay too late, I should kick me out
Oh, I wonder who I'm lookin' for
'Cause you don't go to parties anymore

Lost my limit 'cause I'm dumb and I'm passionate

Took my foot up off the brake, it's not an accident
All my friends are up on Mars, we've been travelin'
Another lonely night

And now it's 5AM, clingin' to my couch
And everyone I ever knew is standin' in my house
Oh, I wonder who I'm lookin' for
'Cause you don't go to parties anymore
I got the last five years runnin' out my mouth
Always stay too late, I should kick me out
Oh, I wonder who I'm lookin' for
'Cause you don't go to parties anymore

And now it's 5AM, clingin' to my couch
And everyone I ever knew is standin' in my house
Oh, I wonder who I'm lookin' for
'Cause you don't go to parties anymore
I got the last five years runnin' out my mouth
Always stay too late, I should kick me out
I wonder who I'm lookin' for
'Cause you don't go to parties anymore

Oh, I wonder who I'm lookin' for
'Cause you don't go to parties anymore
