Uh huh, uh huh, uh huh Southside, what y'all niggas know about the dirty south? One time

Lord forgive me, for I've sinned Over and over again, just to stay on top I recall memories, filled with sin Over and over again, and again

Yo, when you hear talk of the Southside, you hear talk of the team See niggas feared Prince and respected Preme
For all you slow muthafuckas I'm a break it down iller
See Preme was a business man and Prince was the killer
Remember, he used to push the bulletproof BM, uh huh
This here get ya seasick, I sat back and peeped shit
The roll with Easy Rider and they ain't get blunted
Had the whole projects workin for fifty on five-hundred
As a youth, all I ever did was sell crack
I used to idolize Cat

Hurt me in my heart to hear that nigga snitched on Pat, how he go out like t hat?

Rumors in the hood was ?? was snitchin I ain't believe that, pa, he helped me cop my first GSX-R Had the four-runner, the Z, the 5 and the 3 Used to drive his truck through the hood draggin jet skis From Gerald Wallace to Baby Wise, don't be surprised Of how freely I thought of names of games who dealt with pies Like L-A-N-Y's, L got shot in the neck, then told us connect Them niggas who shot 'em got 'em for ten bricks Fuckin Dominicans, turned around and gave 'em more bricks
