

# I Get It In

50 Cent

Yeah, Na na na na  
Yeah, Na na na na

Now me I'm the life of the party  
A little bit of juice, little bit of the gin  
A little bit of mo' play, bottles of the rose  
Feel a little buzz, then I'm getting it in  
Now me I get it in, I get it in  
Me I get it in, I get it in  
Now me I get it in, I get it in  
Me I get it in, I get it in

Look as soon as I step in the club  
I swear my nigga, you can feel the attention shift  
Started around twelve ended up around two  
I better leave with more hoes than I came here with  
I can't be responsible for what I say or I do  
when I talk intoxicated  
Shorty say I told her I love her  
I put her out the next morning saying bitch I must have been faded  
I don't know what you heard about me but the word about me  
that I'm no trick, I'm no sucker, I'm no chump  
I be in the VIP, with my niggaz round me  
saying y'all can have whatever you want

Me I get it in  
Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
That's Sunday, Monday, Tuesday, Wednesday, Thursday, Friday we get it in  
I need a drink, give me a drink  
I need a drink, shorty give me a drink  
I need a drink, give me a drink  
I need a drink, shorty give me a drink

I hate to say I told you so, but I told you so  
I go hard when it's time to play  
Shorty get to dropping it low, like the dancers do  
in the Go-Go in front of me  
She know I like to see her dance, she get to breaking it down  
we get the bouncing outta control  
Because I got a hell of a flow, we got paper to blow  
my whole clique pop bottles galore  
It's no secret the hood done peeped it  
when we come through son, we look like bread  
My '89 grind, make my old nine shine  
like we been moving bricks round this bitch for years  
I say I get it in it's because I get it in  
now shorty there a eight but her friend near a ten  
I feeling a spend my G, she fuck with me I'm into win  
I'm cooler than her ma then we do this shit again

Me I get it in  
Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
That's Sunday, Monday, Tuesday, Wednesday, Thursday, Friday we get it in  
I need a drink, give me a drink  
I need a drink, shorty give me a drink  
I need a drink, give me a drink  
I need a drink, shorty give me a drink

Na na na na, Now me I'm the life of the party  
A little bit of juice, little bit of the gin  
A little bit of mo' play, bottles of the rose  
Feel a little buzz, then I'm getting it in  
Now me I get it in, I get it in  
Me I get it in, I get it in
