Whoo Kid

Hi I'm Gideon Yego with MTV news

Four weeks strong at number one and The Eminem Show is still outperforming almost every other record released this year
One shady fellow not included on the DVD but who we're sure to see a lot of soon

Is the newest soldier of Eminem and Dr. Dre's Shady/Aftermath army, 50 Cent

50 Cent is a highly touted acid tongued Queens, rapper

A staple on New York City's mixtape circuit

He's already in the studio working on his upcoming album with tracks

produced by Dr. Dre, Sha Money, and Eminem himself

Get psyched

That is the news for now
