

# New Day

50 Cent

It don't take much strength to pull a trigger  
But try and get up every morning day after day and work for a living  
Let's see 'em try that  
Then we'll see who's the real tough guy  
The working man is the tough guy

Party people say, party people say, "Ay,  
It's a new day, it's a new day"  
The world is gettin' ready, everybody ready, yeah!  
For a new day, for a new day,  
Celebrate and say ay ay ay...

I woke up this morning thinking 'bout the old me  
When I was feeling like, Miller Lite and OE  
But now I ride on some conscious shit  
I'm getting bread while I toast to my accomplishments  
Only one I can have a problem with is myself  
It's probably why my only competition is myself  
From today to tomorrow  
The Doctor just rock to the same drum  
Fuck the past, though I ain't forgot where I came from  
I got the club rockin', uh  
I got your girl jockin, uh  
Me and Fif' still in this biz, bitch  
We going the distance with you party people, come on

Party people say, party people say, "Ay,  
It's a new day, it's a new day"  
The world is gettin' ready, everybody ready, yeah!  
For a new day, for a new day,  
Celebrate and say ay ay ay...

Now you can get your knees on the church floor, pray it get better  
Or push the door on the liquor store, see where it gets ya  
But me I got to be on top  
I said me I get to be on top  
I got the street on lock  
I'm on automatic pilot, ain't nobody stopping me  
Growing up in poverty ain't filled my heart with larceny  
Niggas ride, I don't hide, I dump to get 'em off of me  
I'm a leader, good to see the natural born boss of me  
They from Bel Air, I'm from the bottom  
Soon as I spot 'em I get to drop 'em  
I got 'em I cut my piece and I dot 'em  
It's dinner time when the 9 come out  
It's off the chain off, off the brain move  
Bang, off with ya brain

Party people say, party people say, "Ay,  
It's a new day, it's a new day"  
The world is gettin' ready, everybody ready, yeah!  
For a new day, for a new day,  
Celebrate and say ay ay ay...

Clocks on the wall  
It's now or never at all  
I'm gonna give it my all, oh

Whether I rise or fall, oh

True story, I said I'd get rich or die trying  
I did it, good luck sucker, trying to stop my shine  
Nothing matters but the music, music my first love  
We paper chasin', I'm always coming in first, cuz  
I'm built for it, see I'm better under pressure  
I react like a maniac when I'm coming to get ya  
I got to win, Em watch and Dre watch and my son watching  
Fuck that, losing ain't an option  
I'm sharp I'm on point  
The ink from my ballpoint  
Throwing out my pain  
I'm back on my A-game  
I'm focused, for me this is just another victory  
Except that I'm stronger than an ox now mentally

Party people say, party people say, "Ay,  
It's a new day, it's a new day"  
The world is gettin' ready, everybody ready, yeah!  
For a new day, for a new day,  
Celebrate and say ay ay ay...
