Bullet open your head make your brain a landmark  
Put what you thinking on the curb nigga mark my word

Double-barrel buck spray, your ass get tore off

Guard ya, stick ya, rip ya  
Extended clip ya  
Graze ya, blaze ya, hard to miss with the laser  
You talk shit I (hawk spit) spit the razor  
The mastermind, the muscle  
Boy I know how to touch you  
I plot it, plan it, then execute it dammit

You a killer, you that nigga, you put work in all the time  
You a shooter it's nothing to you, you maneuver with the 9

That party popper ain't gon' cut it  
But once you crossed the line you crossed the line nigga so fuc
