

## Hey Brad

54-40

Where'd you find that guy  
That guy named Brad  
Where'd you find that guy  
Where did you find him  
What's in his mind  
He's one-of-a-kind  
He's one-of-a-kind  
Where'd you find that guy

I found him at a high school  
At the south end of the city  
He was the one that was so cool  
And I was one that was pretty

Hey Brad, hey Brad  
Hey Brad, hey Brad  
Hey Brad, hey Brad  
You're a man's man  
Let's start a band

Where'd you find that guy  
What's in his mind  
Where'd you find that guy  
He's so sublime  
He plays a mean groove  
He must have seen the blues  
He's a secret weapon  
That taps his foot too

I found them at a high school  
At the south end of the city  
He was the guy that was so cool  
And I was the one that was pretty

Hey Brad, hey Brad  
Hey Brad, hey Brad  
Hey Brad, hey Brad  
You're a man's man  
Please join my band

Where'd you find that guy (Hey Brad, hey Brad)  
That guy named Brad (Hey Brad, hey Brad)  
Where'd you find that guy  
Where did you find him (Hey Brad, hey Brad)
