

I got a brand new saying for  
I'm gonna go nowhere  
I got a brand new tattoo  
This is what it says

I, I, I love candy  
I, I, I love candy

I got a brand new fish  
I'm gonna ride my board  
I never gonna give that dude a dime  
'Cause I never will grow old

I, I, I love candy, oh whoa  
I, I, I love candy  
I still love candy  
I still love candy

I love candy way too much  
I can't help it if I die  
I love candy way too much  
I can't help it

I forget your name, I forget your game  
I'm not really there  
I don't know your face or where to place it  
There's only one thing that I do know, and that's this

I, I, I love candy, oh whoa  
I, I, I love candy  
I, I, I love candy, oh whoa  
I, I, I love candy

I still love candy  
I still love candy  
I still love candy
