

## Workin' On It

54-40

1-2-3-4  
Working on it  
Working on it  
I'm working on it  
You know I'm working on it

You ask me what went wrong  
Hey Neil what's taking so long  
It looks like you're wasting time  
Don't you know how to make it right  
I'm working on it  
I'm working on it

You tell me it's not OK  
Questioning my way  
You always have to remind me well  
I've got to say to you  
I'm working on it  
I'm working on it

Baby take it easy  
'Cause I'm working on it  
And if you can't see  
And you don't believe  
That I'm trying hard  
To give you what you need

I'm working on it  
I'm working on it  
Baby take a chill pill  
'Cause I'm working on it

I'm working on it and you don't even know  
I'm working on it can't you tell  
I'm working on it and it may not show  
But don't you drive me crazy 'cause I'll blow it all to hell

If I meet you at the beach by the deep blue sea  
Fishes that are swimming are a lot like me  
And we're working on it  
Yeah we're working on it  
So baby take it easy  
'Cause we're working on it

Working on it and you don't even know  
Working on it and you're fucking with my flow  
I'm working on it and it may not show  
But don't you drive me crazy 'cause I'll blow it all to hell

Working on it  
I'm working on it  
You know I'm working on it  
Working on it
