

## Forever

55 Escape

I am crawling on my knees  
I am tired of begging please  
I am falling down the stairs

In my head I was erased  
but my life has gone to waste  
I am falling on my face

Watch me turn this around  
Take that pain from my life  
Walk that distance from fear  
Forever  
x2

Forever!

I am crawling on my knees  
I am falling on my face  
I am crawling on my knees  
I am tired of begging please  
I am falling down the stairs

Watch me turn this around  
Take that pain from my life  
Walk that distance from fear  
Forever
