

Blessings

6 Dogs

Yeah, ayy, uh
(Pretty Pacc)
Ayy, ayy (Yeah)
Yeah
Now I'm goin' [?]

All this Fendi on me, swear you can't offend me
Yeah, my 'fit on point, like I was fencing
Talk about my feelings, yeah, I'm just venting
I'ma cop a car, your man's just renting
I'ma look at stars, I ain't sleep, just resting
When I see my scars, yeah, I see 'em as a blessing
When I see my scars, yeah, I see 'em as a blessing
Yeah, yeah, see 'em as a blessing

Drop-top convertible, I am unhurttable
You can't ride this wave, yeah, it is un-surfable
Rappers for breakfast, like I was a cannibal
Nah, that's kinda gross, I'ma whip a Ghost
Like I'm playin' Halo, yeah, we got cheat codes
It should be illegal, gassed up easel
Life is a movie, livin' at the Regal
I'ma lose my mind when the DJ drop the needle

Mosh pit, rock it, run it up like rocket (Rocket)
Blue guap, water spillin' out my pocket (Out my pocket)
Mosh pit, rock it, run it up like rocket (Rocket)
Dirt on my Air Force, water on me wash it

All this Fendi on me, swear you can't offend me
Yeah, my 'fit on point, like I was fencing
Talk about my feelings, yeah, I'm just venting
I'ma cop a car, your man's just renting
I'ma look at stars, I ain't sleep, just resting
When I see my scars, yeah, I see 'em as a blessing
When I see my scars, yeah, I see 'em as a blessing
Yeah, yeah, see 'em as a blessing

Flood out my bezel, win a medal
I'ma win a grammy, stack bread like Sammy
S-S-Stack bread like Sammy
When I'm in the Lamb', young boys cannot stand me
When I'm by myself sometimes I can't stand me
Then I see my scars, they remind me of the old me
Wipe my tears with Louis, Prada, and a lil' Gucci
I'ma blow soon then they'll all wish they knew me

Mosh pit, rock it, run it up like rocket (Rocket)
Blue guap, water spillin' out my pocket (Out my pocket)
Mosh pit, rock it, run it up like rocket (Rocket)
Dirt on my Air Force, water on me wash it

All this Fendi on me, swear you can't offend me
Yeah, my 'fit on point, like I was fencing
Talk about my feelings, yeah, I'm just venting
I'ma cop a car, your man's just renting
I'ma look at stars, I ain't sleep, just resting

When I see my scars, yeah, I see 'em as a blessing
When I see my scars, yeah, I see 'em as a blessing
Yeah, yeah, see 'em as a blessing
