

## Daffodils

6 Dogs

Pretty Pacc  
Yeah, yeah

In the lot, I'ma skrrt, do some donuts (Skrrt)  
Need the cash, for the fetti, I'ma go nuts  
I don't need a stunt double, do my own stunts  
Daffodils, dreams of you, please don't wake me up

Daffodils, dreams of you, please don't wake me up

Raindrops, yeah, I'm skrrtin' in the rain (Skrrt, skrrt)  
On the jet, feel like a plain jane  
Lock myself in the stu' then I go insane  
Disappear like "Boo," show up next day  
Need the money in advance like yesterday  
Drive through the city, backroads, no highway  
See shapes start to move down the hallway  
Get bread, life sees you learn the hard way  
Fly like pterodactyl, drippin' with no hassle  
Gang is a factor, you are just an actor  
Stackin' all this paper, wallet gettin' fatter  
Spend it hour later on some new ice
