Tell my mom that I'm sorry  
I just popped an Oxy  
Tell my mom that I'm sorry  
I'm just fucking flossing  
Tell my mom that I'm sorry  
I just popped another Oxy  
Tell my mom that I'm sorry

Tear-stained racks all up on my floor  
I don't know if I can do this anymore  
You'll be fine without me  
You'll be fine without me  
Tear-stained racks all on my floor  
I don't know if I can do this anymore  
You'll be fine without me  
You'll be fine without me  
I been ballin'  
I been ballin'  
I been ballin'  
Was in the bleachers, now you know I'm shot-calling  
Three-gram blunt and I face it  
I'm next up, please just face it  
Fuck a bitch, I won't chase it  
I just want cash so I chase it  
Blow a bag then replace it  
Fuck all that shit that they're saying  
Flex up on them, now they hating  
Pour a four, now I'm skating  
Tear-stained racks all on my floor  
I don't know if I can do this anymore  
You'll be fine without me  
You'll be fine without me  
I been ballin'  
I been ballin'
