

Pretty Pacc

Yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah

Finna dive underwater like a pelican (What?)

If you fly and you know it, you should tell a friend (Yeah, yeah, yeah)

I might just ball out for the heck of it (For the heck of it)

Goodwill clothes but I'm looking elegant (Yeah, yeah)

Heavy weight on my head like a elephant (Like a elephant)

It's a long road, 'least I'm chillin' in the Benz (Yeah, yeah, yeah)

Why the fakes knock? I can never let 'em in (For the heck of it)

Yeah, I'm always in the mix like cinnamon (Yeah, yeah)

Got a lot of cash, wanna spend a lot, 'least a little bit

And my wrist glow like a FitBit

Phone overheated when I tried to take a 'fit pic (Yeah, yeah)

Can't unlock you in my phone, I'm busy countin' digits

Stack up the green, look over the hedge (Yeah)

Sauce drips down when you're close to the edge

Yeah (Yeah, yeah)

And I'm riding, it's exciting (Yeah)

The anxiety is always trying me (Wait, wait)

Yeah, it's tryin' me (Tryin' me)

I'm sipping on ice, I need me a sled (Yeah)

I close my eyes and I leave my bed

Fly through the night then wake up again (Yeah, yeah)

Go to bed late, try to wake up early
