David wake up!

When I'm in the Bentley coupe  
Feel like just a body  
Flexing is my real job  
Money is a hobby  
Cash smell good  
Like it came from Abercrombie  
Pull up drippin' sauce  
They like wow he really saucy  
My heart's in a jar  
Got blood on the pottery  
Ballin' like a star, athlete, ain't no stopping me  
Fly around the world  
Just to do some more walking  
Watch me run it up  
Real fast like some lightning

Move  
Get out my way  
No stay  
I really miss you  
Chanel lipstick  
I love it when I kiss you  
Don't hit my line with all those issues  
Countin' money just me 'n' you, me 'n' you  
Countin' money just me 'n' you, me 'n' you  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

When I'm in the Bentley coupe  
Feel like just a body  
Flexing is my real job

Flip the money, somersault  
Can't be basic, can't default  
Gang don't follow protocol  
Zooming in convertible  
Green like a vegetable  
Rose petals on a pedestal  
I'm really really out here  
I'm gettin' bucks like Kobe  
This rapping is a free throw  
This singing is a layup  
I can't tell if I'm tired

I just wanna lay up  
Get the rock and the crossover  
I just want you to be closer

When I'm in the Bentley coupe
